

**USAGE:** Take 1 capsule up to 2 times per day or as directed by your qualified healthcare professional.

**NOTE:** If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

**L-Carnitine** is an amino acid found in high concentrations in heart and liver tissues where, inside the cells (mitochondria), L-Carnitine helps transform fats into energy (i.e., ATP). L-Carnitine also facilitates the metabolism of carbohydrates to enhance ATP production.

L-Carnitine works synergistically with Co-Q10, an antioxidant and ATP production cofactor that is found in the inner membrane of the mitochondrion.\*

**Keep out of the reach of children.**
