

Suggested Usage: Take 1 capsule 1 to 2 times daily, between meals. **Make sure to take on an empty stomach.**

Serrazimes® is a proteolytic blend composed of enzymes derived from the edible fungi, *Aspergillus oryzae* and *Aspergillus melleus*. Serrazimes® acts systemically in the maintenance of a balanced immune system response by helping to break down protein-based immune cell secretions, thereby facilitating their elimination.* In this way, Serrazimes® may promote vascular and respiratory health by supporting the body's own natural processes for both drainage and repair.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication (especially blood thinning medications), or have a medical condition. Keep out of reach of children.
