

Suggested Usage: Take 1 capsule at the beginning of any meal that may contain gluten.

Gluten Digest, with BioCore® DPP IV, is a comprehensive enzyme blend formulated to promote the complete digestion of cereal grains.* DPP IV (Dipeptidyl peptidase IV) is a unique enzyme with specific activity against the characteristic proline bonds found in cereal grain proteins.* Gluten Digest also includes proteases and amylases that address other protein and carbohydrate components that commonly co-occur in these foods.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. If you have Celiac Disease, use only under your physician's supervision. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Do Not Eat Freshness Packet. Keep in Bottle.
