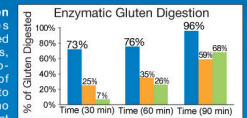
USAGE: Take 1 to 3 capsules before each gluten containing meal or as directed by your qualified healthcare professional. One capsule digests 20 g of gluten within 90 minutes.

WARNING: Persons with celiac disease or those who suspect they have the condition, should not rely on this product to consume gluten containing foods. **NOTE:** If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

Jarro-Zymes for Gluten Digestion™ combines bacterial- and fungal-derived gluten-digesting enzymes, including endo- and exo-peptidases capable of breaking gluten proteins into smaller peptides and amino acids to support management of a low gluten diet.*

Keep out of the reach of children.



170 mg (1 capsule) of **Jarro-Zymes for Gluten Digestion**™ was able to digest 96% of gluten within 90 minutes.

*** These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**
