

USAGE: Take 1 capsule per day with a meal or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

Pantothenic Acid is a member of the B vitamin family; this vitamin is typically found in meat, eggs, legumes, mushrooms, broccoli and royal jelly. Pantothenic Acid is essential for the production of energy (via the Krebs Cycle), the synthesis of adrenal hormones, protein metabolism and wound healing.* Alcohol reduces pantothenic acid in tissues and impairs its metabolism.*

Keep out of the reach of children.
