Allergy ReLeaf® System is an innovative solution developed by Medical Herbalist Daniel Gagnon. These synergistic herbal and nutritional formulas halt hypersensitivity reactions and stop histamine release.*

- Soothes temporary respiratory and digestive irritation from seasonal and dietary challenges*
- Calms eye, sinus, throat, lung, and digestive tissues*
- Stabilizes mast cells and calms their responses to pollen, food, and animal dander*
- Promotes a healthy response to allergens in respiratory and digestive tissues*
- Clears excessive secretions of eyes, sinuses, and lungs without harsh stimulants*

Allergy ReLeaf® System resolves hypersensitivity reactions that occur either in your respiratory or digestive tract.*

* This statement has not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.

Suggested Use:

Acute: Take one Allertonic® softgel and one Quercetin AllerReLeaf® tablet with water every two to three hours until comfort is achieved or as directed by your health care professional. Noticeable comfort is attained within the first or second day. Then switch to **Ongoing** use.

Ongoing: Once comfort is attained, take one Allertonic® softgel and one Quercetin AllerReLeaf® tablet with water three times a day.

Proactive: Two months prior to seasonal challenges, take one Allertonic® softgel and one Quercetin AllerReLeaf® tablet with water twice a day.

Best results are achieved when these two supplements are taken together. Also available in 30 ct. size.
