HIGHLY CONCENTRATED

Increased oxygenation is the body's key to producing more energy. **ChlorOxygen® chlorophyll concentrate** satisfies your body's hunger for oxygen in two ways.*

First, as red blood cells travel through your lungs, **ChlorOxygen®** activates these cells and turns them into irresistible magnets for oxygen.* Delivered to your tissues, this abundant oxygen satisfies your hungry cells and your energy surges.*

Then, **ChlorOxygen®** builds better blood by providing your body with the building blocks necessary to produce and maintain healthy levels of red blood cells.*

Boost your energy levels naturally with **ChlorOxygen®**. It energizes without sugar, caffeine, or other stimulants.*
