

USAGE: Take 1/4 teaspoon, preferably dissolved in fluid or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

Inositol is readily absorbed and used to produce the active inositides as necessary.* The various forms of inositol (phosphatidylinositol and inositides such as IP3) are active in cell-to-cell communication, (e.g., transmission of nerve impulses).* Tissues that are affected include the brain, liver and muscles.* Inositol (a.k.a., myoinositol) is an indirect source of glucuronic acid, which is essential to liver detoxification.* **Jarrow Formulas®** Inositol is derived from rice bran and is made in Japan by Tsuno Rice Fine Chemicals Co., Ltd.

Keep out of the reach of children.
