

USAGE: Take 1 capsule per day with a meal, or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition (especially prostate or reproductive abnormalities), are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

Chrysin (5,7-Dihydroxyflavone) is a bioflavonoid found in passion flower (*Passiflora coerulea*), that promotes healthy testosterone levels by inhibiting aromatase, the enzyme that converts testosterone to estrogen.*

Keep out of the reach of children.
