

Slim1™, our novel weight loss formula contains SUPERMAX53 and CHROMIUM53 along with optimal doses of Garcinia Cambogia. *Slim1™* is known for its weightloss benefits and combined with a healthy diet and exercise is clinically shown to:

- Boosts fat burning*
- Promotes healthy serotonin levels*
- Helps curb appetite*
- Maintains normal cholesterol levels*
- Reduces body weight 3-times greater than diet & exercise alone*

SUPERMAX53 is a special form of (-) Hydroxycitric acid, the active ingredient of Garcinia Cambogia that is bound to calcium and potassium, which significantly increases its bioavailability and effectiveness. CHROMIUM53 is a niacin-bound chromium that has been shown to promote serotonin levels, curb appetite, burn fat and reduce body weight 3-times greater than diet and exercise alone.*

Slim1™ is all-natural. No artificial flavors, colors, sweeteners or preservatives. Stimulant-free. Gluten-free.

SUPERMAX53™ **CHROMIUM53™**

Warning: Consult your physician before starting any weight loss program if you have a medical condition, if you take prescription medications, or if you are pregnant or nursing.
