Net Wt. 12 oz. (340 g)

A Dietary Supplement Vegetarian/Vegan

Suggested Usage: Vigorously mix 1 heaping teaspoon into at least 12 oz. of water or juice and consume immediately. Take 1 to 3 times daily as needed. Be sure to drink plenty of additional fluids throughout the day. Start with smaller amounts and gradually increase over several weeks.

Surveys have shown that the fiber content of the American diet is typically about half of government recommended levels. Psyllium Husk Powder can be a convenient way to increase the intake of dietary fiber.* Psyllium has the ability to swell up to 50 times its initial volume when added to liquid. This bulking action can play an important role in maintaining regularity and gastrointestinal health.*
