Uva Ursi (*Arctostaphylos uva-ursi* L. Spreng.) leaves contain glycosides (arbutin and methylarbutin), tannin, hydroquinone and allantoin. Arbutin is converted in the body to hydroquinones (which turn urine green) and glucose. This extract is standardized at 25% arbutin.

Suggested Usage: As a dietary supplement, adults take 1 capsule daily between meals, or as advised by your healthcare professional. If digestive irritation occurs, take with meals.

Stop use and consult your health care professional if allergic reactions occur. Note: If pregnant or nursing consult your healthcare professional before using this product.

KEEP OUT OF REACH OF CHILDREN.

For optimal storage conditions, store in a cool, dry place.
(59°-77°F/ 15°-25°C) (35-65% relative humidity) Tamper
resistant package, do not use if outer seal is missing.
