

1 serving
Mixed with Favorite Beverage
2-3x daily
Best if taken empty stomach

Suggested Use: As a dietary supplement, take 1 level scoop (5g) mixed with your favorite beverage 1 to 3 times daily. On training days take first serving 20 minutes prior to workout, second serving immediately following workout, and third serving before sleep. On non-training days, space your servings evenly throughout the day with your last serving before sleep. For optimum results take in conjunction with NutraBio Creatine and Whey Protein Isolate.

PURE L-GLUTAMINE POWDER

L-Glutamine is the most abundant amino acid in the body and plays a crucial role in cell volumization and muscle recovery after workouts. L-Glutamine has powerful muscle building effects, promoting protein synthesis while inhibiting protein breakdown.[†]
