Warning: NOT INTENDED FOR USE BY PERSONS UNDER THE AGE OF 18. KEEP OUT OF THE REACH OF CHILDREN. If you are pregnant, breast feeding, have known medical conditions (including kidney or liver disease) or are taking prescription or OTC medication(s) consult with your health care practitioner before using this product. Ribose will temporarily depress blood sugar several points for an hour after ingestion. This is usually sub-clinical. However, it is recommended Ribose be taken with food, juice or around meal time to avoid potential symptoms of hypoglycemia.
