

1 capsule

1-2x daily

Suggested Use: As a dietary supplement, take 1 capsule daily, 1-2 times daily, or as directed by your physician.

Warning: NOT INTENDED FOR USE BY PERSONS UNDER THE AGE OF 18. KEEP OUT OF THE REACH OF CHILDREN. If you are pregnant, breast feeding, have known medical conditions (including kidney or liver disease) or are taking prescription or OTC medication(s) consult with your health care practitioner before using this product. Fiber binds with zinc and can inhibit the absorption and availability of copper. While this can be a good thing for individuals with overly high copper levels, it can be a problem for people with copper deficiency. Take any antibiotics 2 hours apart from a zinc supplement. Signs of zinc toxicity include stomach upsets, diarrhea, vomiting, kidney problems. Signs of zinc toxicity include stomach upsets, diarrhea, vomiting, kidney problems. Zinc toxicity can be fatal.
