Warning: NOT INTENDED FOR USE BY PERSONS UNDER THE AGE OF 18. KEEP OUT OF THE REACH OF CHILDREN. If you are pregnant, breast feeding, have known medical conditions (including kidney or liver disease) or are taking prescription or OTC medication(s) consult with your health care practitioner before using this product. There are no reported side effects with L-Histidine, but overly high levels of it may lead to stress and mental disorders such as anxiety. People with schizophrenia have been found to have high levels of L-Histidine. People suffering from schizophrenia or bipolar (manic) depression should not take an L-Histidine supplement without the approval of their medical professional.
