

why muscle matrix?

MUSCLE MATRIX is the most advanced concentrated BCAA recovery blend on the market. By combining top quality, concentrated amounts of BCAA'S, Sustamine, HICA, and electrolytes, **MUSCLE MATRIX** gives you cutting edge recovery. Get better workout performance, improved endurance, and faster recovery. With these concentrated ingredients you will be able to get the most out of your training routine and recovery because you will get better absorption while using less! Sustamine is a dipeptide of glutamine that provides more than 200 percent better absorption than standard L-glutamine. **MUSCLE MATRIX** will help you kick your training up a notch by maintaining hydration, and feeding your muscles properly after exercise.*

- Improved muscle recovery and reduced soreness*
- Increased lean muscle mass and strength*
- Maximize workout performance and better hydration*
- Enhanced muscle protein synthesis*
- Improved endurance and increased fat oxidation*
