

**PURE FAT BURN** is a highly advanced fat-loss formula specifically designed for women that will help you to achieve peak energy levels throughout the day and break through your fat loss plateau. PURE Fat Burn is hands down the best belly fat burner for women on the market because it gives you advanced appetite suppression, amplified energy levels, and an increased fat burning capability that will push your metabolism to a level you have never experienced before! By combining this product with a healthy diet and exercise program, you will give your body the ability to trigger its maximum fat burning potential. This potent formulation will turn your body into a calorie burning, fat destroying machine!\*

For use as a dietary supplement only

**DIRECTIONS** 1-2 capsules per day for the first 2-3 days to assess tolerance and then increase to 2-3 capsules per day. Do not exceed 3 capsules in a 24 hour period.

**ALLERGEN INFORMATION** Manufactured in an allergen free facility. Store in a cool, dry place with lid tightly sealed to protect freshness.

**WARNINGS** Keep out of the reach of children. Check with a qualified health care professional before taking this product, if you are pregnant or nursing, under 18 years of age, have any known or suspected medical conditions, and/or taking any prescription or OTC medications for high blood pressure and/or other cardiovascular conditions. Use caution when taking other products containing synephrine, phenefrine, caffeine or thyroid boosting compounds from other sources but not limited to tea, soda, coffee, other dietary supplements and medications, or any other type of stimulant. Never exceed the recommended maximum dosages
