

Multi Metabolite *Brain*

An innovative nutritional formula cultivated to support healthy brain and nervous system function! Multi Metabolite Brain is a synergistic combination of real foods, super juices and traditional botanicals — such as Bacopa, Ginkgo, Periwinkle and Chili Pepper — transformed by our patent-pending, MTS mycological fermentation technology.

KEY INGREDIENTS

PATENT-PENDING TECHNOLOGY

The MycoBiome Transformation System (MTS) draws from principles of Traditional Chinese and Ayurvedic herbal modalities, utilizing powerful living cultures combined with energized water, light and sound frequencies to pre-digest and pre-metabolize real food nutrients.

Get Real Nutrition is a family-owned company cultivating real food nutrition at our organic, indoor nutrient farm located on California's Central Coast.
