

Real Probiotic *Immune*

An innovative nutritional formula cultivated to support healthy immune system function.* Real Probiotic Immune is a synergistic combination of real foods, super juices and traditional botanicals — such as Turmeric, Green Tea, Astragalus and Aloe Vera — transformed by our patent-pending, MTS probiotic fermentation technology.

KEY INGREDIENTS

PATENT-PENDING TECHNOLOGY

The MicroBiome Transformation System (MTS) draws from principles of Traditional Chinese and Ayurvedic herbal modalities, utilizing powerful living cultures combined with energized water, light and sound frequencies to pre-digest and pre-metabolize real food nutrients.

Get Real Nutrition is a family-owned company cultivating real food nutrition at our organic, indoor nutrient farm located on California's Central Coast.
