

Suggested usage: 1 tablet per day or as directed by a health professional.

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of the reach of children. In case of accidental overdose, call a doctor or poison control center immediately.

Cautions: As with any supplement, consult your health professional before use if you are pregnant, breastfeeding or trying to conceive, or if you are taking medication, have a medical condition or anticipate a surgery.

Iron deficiency is the most common cause of anemia. The symptoms of anemia, such as fatigue, reflect a lack of oxygen being delivered to tissues.
