

Suggested usage: Chew 1 tablet per day or as directed by a health professional.

Easy Iron is a highly bio-available form of elemental iron, manufactured using a unique "Super Dispersion Technology". Most forms of iron can cause constipation, but SunActive® iron is known to be gentle on the stomach.* Easy Iron has no iron taste and is offered in a convenient 'one-per-day', tasty fruit flavored chewable tablet to enhance absorption. Iron plays an essential role in the transportation of oxygen in the blood for the release of energy from food.*

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of the reach of children. In case of accidental overdose, call a doctor or poison control center immediately.

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.
