

1 serving

8-12 oz.

30 min.

before workout

Suggested Use: As a dietary supplement, mix 1 scoop of Fighter Fuel into 8-12 ounces of cold water and consume 30 minutes prior to exercise. Vary the amount of water to achieve your desired flavor. Fighter Fuel is extremely powerful; first time users should begin use with 1/2 scoop or less to assess tolerance. DO NOT EXCEED 1 SCOOP IN ANY 24 HOUR PERIOD. For optimal results, drink a minimum of 1 gallon of water daily.

ALLERGEN FREE | GLUTEN FREE | BSE/TSE FREE

Warning: Not for use by individuals under the age of 18 years. Do not use if you are pregnant, breast feeding, sensitive to caffeine, have known medical conditions (including but not limited to heart, kidney, thyroid or liver disease, diabetes, high blood pressure, depression or other psychiatric condition, or seizure disorder), or are taking prescription or OTC medication(s). Consult with your health care practitioner before using this product. Do not exceed recommended dosage. Discontinue use immediately and consult with your health care professional if you experience any adverse reaction to this product including rapid heartbeat, dizziness, severe headache, shortness of breath or other similar symptoms. Contains 100 mg of caffeine per serving, equivalent to approx. 1 cup of coffee. Do not use with other caffeine or stimulant-containing medications, foods or beverages because too much caffeine may cause nervousness, irritability, sleeplessness and rapid heartbeat. Do not use under extreme conditions of heat, cardiovascular exertion or dehydration or if you are more than 15 pounds overweight. This product is intended for use by healthy individuals only. KEEP OUT OF REACH OF CHILDREN.
