

Suggested usage: 1 capsule 1–2 times per day preferably with meals or as directed by a health professional.

Cautions: As with any supplement, consult your health professional before use if you are pregnant, breastfeeding or trying to conceive, or if you are taking medication, have a medical condition or anticipate a surgery. Keep out of the reach of children.

Turmeric and Bromelain capsules support digestion naturally while helping to maintain healthy liver function.* Turmeric stimulates digestion, supports the liver and has a role in maintaining healthy muscle and joints.* Bromelain, an enzyme isolated from the stem of the pineapple plant, aids in digestion by breaking down protein and also enhances the absorption of turmeric.* Recent studies also show that bromelain has many health promoting properties.* These superior standardized extracts work together, a classic combination.
