

Suggested usage: 1–2 softgels 3 times per day before meals or as directed by a health professional.

Cautions: As with any supplement, consult your health professional before use if you are pregnant, breastfeeding or trying to conceive, or if you are taking medication, have a medical condition or anticipate a surgery. Keep out of the reach of children.

CLA (Conjugated Linoleic Acid) is a naturally occurring form of the essential fatty acid, linoleic acid. CLA helps block fat cells from filling up with fat by interfering with a fat-storing enzyme known as lipoprotein lipase.* It is also believed to help burn fat by increasing the sensitivity of cells to the hormone insulin, revving up muscle metabolism and helping increase lean muscle mass.*

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Contains no artificial preservatives or sweeteners; no dairy, starch, sugar, wheat, gluten, yeast, soy, egg, fish, shellfish, salt, tree nuts, or GMOs. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.
