

Suggested usage: 1 capsule per day or as directed by a health professional. Keep out of the reach of children.

Sytrinol® is a proprietary formulation of a patented blend of polymethoxylated flavones (PMFs) and tocotrienols that work in combination to provide powerful antioxidant protection and support the cardiovascular system by maintaining cholesterol levels already within the normal range.* One serving (1 vegetarian capsule) provides 300 mg of Sytrinol® for a convenient 'all you need is one per day'.*

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Contains no artificial colors, preservatives, or sweeteners; no dairy, starch, sugar, wheat, gluten, yeast, soy, egg, fish, shellfish, animal products, salt, tree nuts, or GMOs. Suitable for vegetarians/vegans. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.

† For those already within the normal range.

* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
