

Suggested usage: 1 softgel per day or as directed by a health professional. Keep out of the reach of children.

GarlicRich® odorless softgels support the immune and cardiovascular system.* The enteric coated softgels, formulated for maximum bioavailability, delay the breakdown of Alliin into Allicin and subsequent beneficial compounds until the softgel reaches the small intestine.

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Contains no artificial colors, preservatives, or sweeteners; no dairy, starch, sugar, wheat, gluten, yeast, soy, corn, egg, fish, shellfish, salt, or GMOs. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.

* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
