

USAGE: Take 1 softgel 1 to 3 times per day with a meal or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

QH-absorb[®] 100 mg per day raised Co-Q10 by 215% and 300 mg per day raised Co-Q10 by 777% over baseline in humans.

Ubiquinol is the reduced (active antioxidant) state of Co-Q10, the form produced by our cells and is significantly better absorbed as a supplement, particularly as we age.

Jarrow Formulas[®] QH-absorb[®] is a proprietary enhanced-stability formula, which has been clinically shown in humans to increase Co-Q10 levels up to 777% over baseline at 300 mg per day intake.

Keep out of the reach of children.

Particle formation inside softgel is normal and dissolves after ingestion.
