PER CAPSULE

Jarrow Formulas® Ultra Jarro-Dophilus® is a high potency probiotic supplement designed to restore, protect and maintain a balanced intestinal flora.* A maximum survival of viable cells through the stomach and the intestinal tract is made possible by a unique delivery system consisting of a vegetarian acid resistant capsule, and the integration of the probiotic strains with a gel-forming matrix.* The gel-forming matrix helps provide protection to probiotic bacteria against the negative effects of stomach and/or duodenal fluids.*

Each capsule contains a minimum of 50 billion viable cells when kept refrigerated and within Best Used Before Date.

Keep out of the reach of children.
