

USAGE: Take 2 tablets three times per day (for a total of 6) with meals to facilitate maximum absorption, or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, or taking medications (especially warfarin/Coumadin), consult your healthcare professional before using this product.

Vegetarian/Vegan Bone-Up® provides calcium citrate, a vegetarian/vegan source of the essential mineral calcium and a form that has demonstrated superior absorption. Also, Vegetarian/Vegan Bone-Up® is formulated with vitamin K₂ (as MK-7 from natural fermentation [a more bioavailable form of vitamin K₁]) and vitamin D₂ to support the deposition of calcium into the bones as well as to assist in building up the organic bone matrix.* Potassium citrate is a systemic alkalizer added for optimal osteo support.*

HEALTH CLAIM: Adequate calcium and vitamin D as part of a healthful diet, along with physical activity, may reduce the risk of osteoporosis later in life.

For best results, use with **Jarrow Formulas® JarroSil®**, the biologically **Activated Silicon®**.

Suitable for vegetarians/vegans.
Keep out of the reach of children.
