

WARNING: Do not use this product if you are pregnant or nursing or have a medical condition. Not recommended for use by individual under 18 years of age. This product contains caffeine and should not be used with any other caffeine and/or stimulant containing products. Too much caffeine may cause nervousness, irritability, sleeplessness, and occasionally, rapid heartbeat. One serving of **SHOTGUN® 5X™** provides caffeine equivalent to less than two cups of coffee. This product is intended for use by healthy individuals only.

KEEP OUT OF REACH OF CHILDREN.

Muscle energetic compounds within **SHOTGUN® 5X™** may cause a tingling sensation in lips and skin. Contains no Nicotin. Drink an additional one half (1/2) ounce of water for each pound of body weight.

RECOMMENDED USE:

Do not use **SHOTGUN® 5X™** with **REDLINE®** or **MELTDOWN®** or any other products containing caffeine or other stimulants. Mix one scoop of **SHOTGUN® 5X™** with 8 to 10 ounces of water or your favorite beverage. Drink **SHOTGUN® 5X™** prior to any athletic event or resistance training. For enhanced results also consume **FAST 5™** during and **NO-SYNTHESIZE®** after training. Unlike other Supplements which may require several scoops, **SHOTGUN® 5X™** is extremely powerful and requires only one scoop. The **SHOTGUN® 5X™**, **FAST 5™**, and **NO-SYNTHESIZE®** supplement strategy represents the most advanced and latest muscle growth and athletic performance research.

UNLIMITED GROWTH POTENTIAL

University Proven to Alter Muscle at the Genetic Level. **SHOTGUN® 5X™** Activates Satellite Cell Proliferation to Promote the Birth of New Muscle. **SHOTGUN® 5X™** generated the most ground-breaking University research in the history of Muscle Science.
