

DIRECTIONS: For best results take 1–2 capsules in the morning on an empty stomach with 8–12 oz. of fluid. An additional serving can be added in the early afternoon if desired.

† These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

WARNING: DO NOT USE IF PREGNANT, NURSING, OR UNDER THE AGE OF 18. KEEP OUT OF REACH OF CHILDREN. Do not exceed recommended serving. Consult with a health care practitioner before taking this or any dietary supplement, especially if you have or suspect you may have a medical condition, or are taking ANY medications, over the counter products, or other dietary supplements. This product contains approximately 105 mg of caffeine per capsule, and may not be appropriate for caffeine-sensitive individuals. Do not consume with any other stimulants including caffeine. Immediately discontinue use and call your health care provider if you experience any adverse reaction. Before beginning any weight loss program, consult your health care provider. Store at room temperature and avoid excessive heat. Do not use if inner safety seal is broken or missing.
