DIETARY SUPPLEMENT

Three of the most widely studied and effective antioxidants in the world!

Curacel™ provides clinically-studied BCM-95® high-absorption curcumin, green tea and resveratrol: three botanicals that protect you from free-radical damage and support a healthy inflammation response throughout the body.*

They work together to support:

- Breast and Prostate Cellular Health
- Healthy Aging
- Antioxidant Defense*

RESVERATROL EQUIVALENT

2 Softgels = 10 Glasses of Wine!

Three powerful ingredients with one goal in mind – healthy cellular support!*

Curacel™ provides three of the most widely studied and potent antioxidants in the world:

BCM-95® high-absorption curcumin: Superior curcumin with turmeric oil for **up to 10 times better absorption and greater blood retention** time at meaningful levels than standard curcumin! It protects you from oxidative stress and supports a healthy inflammation response throughout the body.*

Green Tea: Supports healthy aging and deep cellular function.*

Resveratrol: In addition to strong antioxidant ability, resveratrol demonstrates powerful support of healthy cell growth and healthy aging.*

Together, these ingredients help protect hormonally sensitive tissue from free radical damage. For you, that means powerful support and peace of mind.*

Curacel™ is the high-antioxidant formula for:

- Breast and prostate cell health
- Healthy aging
- Defense against oxidative stress*

All ingredients established in human studies for safety and effectiveness. Does not interfere with stomach, liver or kidney function.
