

Boswellia, also known as frankincense, has been a vital component of Ayurvedic medicine for thousands of years. Modern research has confirmed the effectiveness of boswellia for healthy sinus, bronchial, and lung function.*

BosMed 500™

- Features clinically studied, uniquely standardized BosPure® Boswellia
- Up to 10 times more powerful than unstandardized boswellia
- Purified to reduce undesirable beta-boswellic acid (BBA) content
- Contains boswellia with high levels of naturally occurring AKBA—no spiking or artificial manipulation to increase this beneficial compound
