

ULTIMATE PRE-WORKOUT POWERHOUSE

WARNING: NOT FOR USE BY INDIVIDUALS UNDER THE AGE OF 18 YEARS. DO NOT USE IF PREGNANT OR NURSING. Consult a physician or licensed qualified health care professional before using this product if you have, or have a family history of heart disease, thyroid disease, diabetes, high blood pressure, depression or other psychiatric condition, glaucoma, difficulty in urinating, prostate enlargement, or seizure disorder, or if you are using a monoamine oxidase inhibitor (MAOI) or any other dietary supplement, prescription drug, or over-the-counter drug containing ephedrine, pseudoephedrine, or phenylpropanolamine (ingredients found in certain allergy, asthma, cough or cold, and weight control products). Do not exceed recommended serving. Exceeding recommended serving may cause adverse health effects. Discontinue use and call a physician or licensed qualified health care professional immediately if you experience rapid heartbeat, dizziness, severe headache, shortness of breath or other similar symptoms. Individuals who are sensitive to the effects of caffeine or have a medical condition should consult a licensed health care professional before consuming this product. Do not use this product if you are more than 15 pounds overweight. The consumer assumes total liability if this product is used in a manner inconsistent with label guidelines. Do not use for weight reduction. This product is intended for use by healthy individuals only. Do not use this product if you are pregnant or nursing or have any medical condition. **KEEP OUT OF REACH OF CHILDREN.** Too much caffeine may cause nervousness, irritability, sleeplessness and occasionally rapid heartbeat. Not recommended for use by children under 18 years of age. One serving of **REDLINE® WHITE HEAT™** provides 400 mg of caffeine which is more than three cups of coffee.

†These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.
