BEST BY AREA (DO NOT PRINT)

The best of nature and European science for relief of menopausal and perimenopausal symptoms:

- Hot Flashes
- Night Sweats
- Interrupted Sleep
- Irritability
- Mood*

Menopause Relief is the natural, safe choice. It's perfect for women who choose not to take estrogen—hormone replacement therapy—to relieve the symptoms of menopause and perimenopause.*

The Right Dose for Best Results

With black cohosh, more is not necessarily better. Research has shown that the concentration, strength, extraction method, and quality are the most important factors for effective relief of menopausal symptoms.*

Menopause Relief provides the same amount of symptom-relieving power demonstrated in European clinical studies in a convenient **1 tablet per day dose**. Experience happier days and more restful nights. Feel like yourself again.*
