32 fl. oz. (1 quart) (946ml)

DIRECTIONS: Shake well before each use. As a dietary supplement, take 1 serving 1-3 times a day. Use as directed.

Liquid Super Amino provides 23 grams (23,000 milligrams) of amino acids from its protein ingredients in a delicious and convenient liquid form. Amino acids are critical to elite athletes and serious weight trainers because they serve as the "building blocks" for body protein.[†]

Liquid Super Amino is designed to be one of the purest amino products available and formulated without fat or cholesterol.[†]

Liquid Super Amino is manufactured to the highest quality standards and tested for purity and safety. DYMATIZE products are used by athletes worldwide and are research proven at universities.[†]
