

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

DIRECTIONS:

SUGGESTED USE: Mix 1 heaping scoop of Amplify® XL to 8 oz. of cold water, and consume immediately following your workout to maximize recovery and fight fatigue.* If extra thickness is desired, add a handful of ice cubes and blend. Due to settling, a natural occurrence with powders, variations in the powder height level may vary from bottle to bottle. Additionally, powder density may be affected as a result of the settling which may cause slight variations in the scoop serving size. *To be used as part of a physical conditioning program.*

WARNING: If you are pregnant, nursing or taking medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

AMPLIFY® XL IS YOUR COMPLETE ALL-IN-ONE PROTEIN

FACILITATES LEAN MUSCLE TISSUE GROWTH AND ENHANCES RECOVERY!

ADVANTAGE OF A PREMIUM PROTEIN BLEND

Amplify® XL offers a superior and premium blend of quick release whey protein isolate, hydrolysate and concentrate, and is loaded with glutamine and amino acids. Controlled release egg protein facilitates muscle recovery two-three hours post-workout. This combination gives you both an immediate and time-release recovery mechanism. It is the ultimate post-workout protein to support protein absorption, muscle recovery, and lean muscle gains.*

HYDRO GREENS BLEND

Amplify® XL is fortified with a seeds and greens health blend to support additional health benefits (antioxidants, heart health, healthy appearance (skin), and anti-aging). Coconut helps provide electrolytes and supports rehydration post-workout.*

BIOAVAILABILITY

The protein sources found in Amplify® XL rank highest on the biological value scale.

Stack Amplify® XL with any PMD® sports nutrition product for greater increases in muscle strength, mass, energy, toning, recovery and performance.*
