COMPREHENSIVE PREMIER RECOVERY FORMULATION!

BIOAVAILABILITY: The protein sources found in **FUEL 360™** rank highest on the biological value scale, and do not contain misleading profile information due to amino spiking.

DIRECTIONS:

SUGGESTED USE: Mix 2 scoops of **FUEL 360™** with 8 oz. of cold water (adjust to desired taste) and consume immediately following your workout to maximize recovery and fight fatigue.* Contents may settle after shipping. Moisture and humidity can cause clumping and discoloration. Discard after expiration date. *To be used as part of a physical conditioning program.*

WARNING: KEEP OUT OF REACH OF CHILDREN. *Not for use by those under the age of 18.* Do not use if pregnant or lactating. If you are under the care of a physician, seek medical advice before consuming this product. Recommended that users consume a minimum of 100 oz. of water daily. Do not use if you suffer from or have a history of kidney disease. Discontinue use and consult your physician if any adverse effects occur. Do not use if tamper resistant seal is broken. **STORE IN A COOL, DRY PLACE. AVOID EXCESSIVE HEAT.**
