

Suggested Usage: Take 1 capsule daily, preferably on an empty stomach.

Glutathione is a small peptide molecule composed of three amino acids: cysteine, glutamic acid, and glycine. It is produced primarily in the liver and is involved in many critical biological functions in the body including metabolism of toxins, immune system function, protection against oxidative cell damage, and recycling of vitamins E and C.* This product has Glutathione in its reduced, active form for optimal bioavailability.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Do Not Eat Freshness Packet. Keep in Bottle.
