Recommended Use: As an adult dietary supplement, take 2 capsules before breakfast or morning exercise session, and 2 more capsules at mid-afternoon. Initially, take half the recommended amount (1 capsule 2 times daily) for the first 7 days to determine your tolerance. Do not exceed 4 capsules per day. *For best results, use as part of a healthy diet and exercise program.

WARNING: Keep out of the reach of children. Not intended for persons under 18 years of age. Do not exceed recommended serving. Do not use if pregnant or nursing. Do not use if you are allergic or contraindicated to aspirin. Consult a physician prior to using this product, especially if you are taking aspirin or blood thinners or are taking any other medication or if you have any pre-existing medical conditions, including high blood pressure, heart or thyroid problems, nervous disorders or diabetes. Discontinue use two weeks prior to surgery or if upset stomach occurs. Limit the use of caffeine-containing medications, foods or beverages while taking this product because too much caffeine may cause nervousness, sleeplessness and occasionally rapid heartbeat. Improper use of this product will not improve results and is not advised. Do not use if you are sensitive to caffeine-containing products. Use only as directed. Do not use if packaging has been tampered with.

Storage Conditions: Store at room temperature 59°F - 86°F (15°C - 30°C).

*This statement has not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure or prevent any disease.
