CHILDREN'S OXYLENT IS A GREAT ADDITION TO A HEALTHY DIET

Parents agree—the most important thing is the health and well-being of their children. When Oxylent, our high-quality multivitamin for adults, was introduced everyone loved it, especially children! Oxylent tastes so great, kids don't even know it's good for them. When they started asking for more, we knew it was time to focus on Children's Oxylent.

Life as a parent should be as easy as possible—enjoying time together and concentrating on teaching and guiding your children through the journey of life. Focus on what is really important—family, education, and fun. Leave the nutrients to us. Children's Oxylent is a delicious, nutritious drink for your kids.

NURTURES: Children's Oxylent contains a balance of high-quality nutrients, including all the B vitamins, to support your child's development as well as emotional and cognitive well-being.*

STRENGTHENS: Children's Oxylent contains vitamin D3, calcium, and magnesium, which support bone and muscle growth. Magnesium works with calcium and phosphorus to promote strong bones and teeth.*

SUPPORTS: Vitamins C and D assist in supporting your child's immune system. Vitamin C is required by the body for 300 different metabolic functions.*

THE OXYLENT DIFFERENCE

Great Tasting • Unique Formula • Superior Quality • Easily Absorbed • Third-Party Tested • Environmentally Conscious

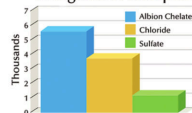

Multiple Award-Winning Formula

SCIENCE-BACKED INGREDIENTS

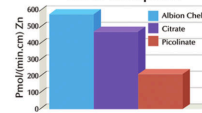

Albion's mineral chelates offer better absorption than common minerals.

Oxylent delivers everything you want in a multivitamin. Choose Oxylent because you care about what you put into your body—and so do we.

Manganese Absorption

Zinc Absorption

Albion® Human Nutrition is the most established and globally recognized leader in the chelate industry. Albion is the first bis-glycinate chelate manufacturer to be approved by EFSA, European Food Safety Authority.
