

HEALTH DIRECT

Innovative Anti-Aging Solutions

24/7 Weight Loss™ is a comprehensive 7-in-1 anti-aging weight loss supplement. With diet and exercise it helps you maintain a healthy weight and even reduce unwanted pounds safely, without any harmful stimulants.** 24/7 Weight Loss can be used long-term, on a daily basis, to support a more youthful, trim body.

24/7 Weight Loss's ingredients are shown in both *in vitro* and *in vivo* clinical studies to:

1. Reduce body fat stores*
2. Support healthy hormone levels*
3. Increase metabolism*
4. Support satiety and help control emotional eating*
5. Decrease the digestion and absorption of sugars, starches and fats*
6. Support healthy blood sugar and insulin within normal levels*
7. Protect cells with high ORAC antioxidants*

DIRECTIONS: For Weight Management: Take two capsules per day, 15-30 minutes before your largest meal. For Active Weight Loss: Take four capsules per day (two capsules, 15-30 minutes before each of your two largest meals each day). For best results, take supplements that contain vitamins, enzymes, or oils with other meals.

CAUTION: Keep out of the reach of children. Hypoglycemics, diabetics, pregnant or nursing mothers and those on any medication should consult with their healthcare practitioner before using this supplement.

*24/7 Weight Loss's ingredients are included in full, clinically validated doses.

†Contains decaffeinated green coffee bean extract guaranteed to have less than 6 mg of naturally occurring caffeine per serving (2 capsules).

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
