Contents packed by weight not volume. Some settling may occur.

IRON TEK® GLUTAMINE POWDER FEATURES:

Five (5) grams of L-Glutamine per serving. Mixes easily without a blender. No aftertaste. Unflavored. Glutamine, the most abundant amino acid in the human body, helps support muscle tissue.** Intense physical exercise utilizes the body's Glutamine stores, therefore Glutamine is an important sports-related nutrient. It is especially concentrated in muscle tissue where it is the most abundant "free" amino acid.** Free form amino acids are readily available for various uses by the muscles and other areas of the body.**

IRON TEK® GLUTAMINE POWDER BENEFITS:

- Helps the body support muscle tissue.**
- Important sports-related nutrient.
- Contributes to glycogen storage in the muscles.**
- Important component of glutathione, a mediator with antioxidant properties.**
