

REDUCit 364™ is clinically shown to reduce at least 364 calories per day. It is a 3-in-1 calorie-minimizing formula that promotes significant weight loss (19.2 pounds), and a more lean and shapely body (14.6% less body fat) as part of a healthy diet and exercise program.*

REDUCit 364 helps: **REDUCE** cravings and the amount of food you eat; **LIMIT** the digestion and absorption of sugar, starch and fat; and **MINIMIZE** the negative effects of absorbed sugars.*

REDUCit 364's ingredients are shown in clinical studies to:

- Reduce body fat stores*
- Reduce appetite and cravings*
- Reduce the digestion and absorption of sugar, starch and fat*
- Support healthy blood sugar and insulin within normal levels*

DIRECTIONS: Take two capsules per day (one capsule, 15-30 minutes before each of your two largest meals). For best results, take supplements with vitamins, enzymes, or oils during other meals.

CAUTION: Keep out of the reach of children. Hypoglycemics, diabetics, pregnant or nursing mothers and those on any medication should consult with their healthcare practitioner before using this supplement.

*In a 10 week randomized, double-blind, placebo-controlled trial, subjects taking a key ingredient in REDUCit 364 lost 19.2 pounds vs. 4.5 in placebo and reduced body fat 14.6% vs. 4.3% in placebo. A similar 8 week study conducted on women reduced daily food intake by 364 calories vs. 157 in placebo. †Contains decaffeinated green coffee bean extract guaranteed to have less than 24 mg of naturally occurring caffeine per serving (2 capsules).
