

Mag O₇ is a specially formulated magnesium based compound which has been ozonated and stabilized to release Reactive Oxygen Species (ROS) when used as directed. Mag O₇ has a stool softening effect, which eliminates the digestive track of unwanted debris. Mag O₇ aids the digestive process by slowly releasing beneficial ROS which helps friendly bacteria utilize nutrients efficiently.*

Mag O₇ is non-habit forming.

The magnesium in this product is intended to be an oxygen delivery mechanism for the purpose of colon cleansing and general colon health. This product is not intended to be used as a magnesium supplement. If you have cardiac history or kidney disease, please consult your physician before using magnesium products.

*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

AEROBIC LIFE

Mag O₇

Powder

DIETARY SUPPLEMENT

150 GRAMS

SUGGESTED USE: As a dietary supplement, mix 1/2 teaspoon with 8 oz. of water and drink on an empty stomach. Decrease dosage for maintenance. Daily dosage will vary depending on individual and intended purpose. Results may vary.
