Supplement Facts

Muscle Pump Complex™ with NO3-T™ Nitrate Technology – increases blood flow to muscles with the powerful nitric oxide booster citulline nitrate, plus HydroMax™ glycerol for hyperhydration – increases concentration of fluid in the blood and tissues for peak performance; and taurine for optimizing muscle cell volume.*

Strength, Endurance, and Recovery Complex™ provides Creapure® creatine monohydrate to increase strength, Carnosyn® beta alanine to increase muscular endurance, and 5000 mg of BCAA (high-leucine 2:1:1) to stimulate muscle growth and recovery.*

Energy and Mental Focus Complex™ provides a precise combination of tyrosine, Advantra Z®, Hyperizine A, caffeine, and Vitamins B12 and B6 to enhance mental focus and peak performance.*

Super Charge® is made in a certified cGMP and FDA inspected facility. Free of prohormones, steroids, artificial colors, and preservatives. *These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
