CLA Elite Blend™	1000mg	†
(Safflower Oil [High Linoleic Acid], Conjugated Linoleic Acid [CLA])		

**Percent Daily Values are based on a 2000 calorie diet

† Daily Value not established

Other Ingredients: Gelatin, Glycerin, Purified Water and Natural Coloring.

Conjugated Linoleic Acid (CLA) is a naturally occurring omega-6 fatty acid found naturally in milk, cheese and beef but in limited amounts. Studies suggest supplementing with CLA can help promote increases in lean body mass, reduce body fat as well as support a healthy immune system.* When used in conjunction with a healthy diet and exercise program, CLA can help you achieve a lean, sculpted physique while also optimizing health and wellness.*

ALLERGEN INFORMATION: This product was made in a facility that also processes egg, soy, peanut, tree nut, fish, crustaceans/shellfish, and wheat products.

CONSULT YOUR HEALTHCARE PROFESSIONAL PRIOR TO USE IF YOU HAVE OR SUSPECT A MEDICAL CONDITION, ARE TAKING PRESCRIPTION DRUGS, OR ARE PREGNANT OR LACTATING.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
