

Directions: Mix 1 serving (2 level scoops) in 20 ounces of water and shake vigorously for 30 seconds. Sip throughout workout, athletic event or any time additional aminos are needed.

Due to high leucine content some initial foaming may occur, which should subside over a few minutes time with light shaking.

Shake container before each use to disperse ingredients that may have settled.

Warning: This product is only intended to be consumed by healthy adults 18 years of age or older. Pregnant or nursing women should not use this product. Discontinue use and immediately consult your health care professional if you experience any adverse reaction to this product. Do not exceed recommended serving. Do not use if safety seal is broken or missing. KEEP OUT OF REACH OF CHILDREN.
