

Other Ingredients: Cellulose, stearic acid (vegetable source), modified cellulose gum, calcium stearate (vegetable source), silica, sodium starch glycolate (from potato starch), glycerin.

Contains: Soy.

BONE SUPPORT FORMULA™ is a unique 3-part formula to support bone health by providing high-tech sources of macrominerals (calcium & magnesium), support vitamins & trace minerals plus a special botanical complex.

MCH-CAL™, a trademark of Waitaki, is a highly specialized whole bone extract which also contains phosphorus, fluoride, potassium, strontium, other ions, collagen, other proteins and glycosaminoglycans.

The Novasoy Logo is a trademark of ADM. Novasoy™ is a specially processed natural extract from soybeans, standardized to provide 40-50% isoflavones (40-50 mg) in their naturally occurring ratios. These include: genistin, genistein, daidzin, daidzein, glycitin and glycitein plus other naturally occurring components.

Isoflavones are naturally occurring compounds that support bone and menopausal health.†
